*Eligibility for entry into SWIAA is dependent on a current assessment by an Aged Care Assessment Team (ACAT) and its corresponding approvals, availability of a vacancy, and the facility being able to provide the necessary care required by the prospective care recipient. Completion of this form does not guarantee a place at SWIAA Villages.*

## **Fees and Charges**

*It is strongly encouraged to obtain financial information prior to entering an aged care facility. It is important care recipients, or their representatives contact Centrelink to complete and lodge the **Residential Aged Care Calculation of your cost of care form (SA457)**.*

*It is also important to think about completing the **Authorising a person or organisation to enquire or act on your behalf form (SS313)**, obtained at the Centrelink office.*

**Basic Daily Care Fee (BDCF):** An amount that everyone pays for the day-to-day services they will receive at the aged care home. This is set by the Department of Health and is equivalent of 85% of the single aged pension including supplementary rental assistance. This fee is indexed each year in March and September.

**Means-tested Care Fee (MTCF):** A contribution that some people pay toward the cost of their care, determined by a means assessment. Your means tested care fee will be between \$0 and \$400.08 per day. The maximum MTCF changes with indexation. There are annual and lifetime caps that apply to MTCF. Once you reach a cap, you cannot be asked to pay any more in MTCF.

**Accommodation Costs:** An amount that some people pay to contribute towards or cover the full costs of their room, depending on their means assessment. If you are required to pay an accommodation cost, there are three options to pay for your accommodation:

- A refundable lump sum amount (RAD)
- Rental-style daily payment (DAP/DAC), or
- A combination of both.

<b>Room Type</b>	<b>Refundable Accommodation Deposit</b>
Single Room	\$775,000.00
Shared Room	\$440,000.00

Until you decide how to pay for your accommodation, you will need to pay by rental-style daily payments.

**Additional Services Fees:** Fees for services that go beyond the minimum care and service requirements. This may include fees for hairdresser, nurse escort for appointments and outings, among others. Because additional services and corresponding fees are specific and set by the provider, these fees are not subsidised by the government.

SWIAA Villages is a not-for-profit provider of Residential Aged Care that caters for the diverse needs of the local community and beyond. Registered Nurses are on site 24 hours a day, 7 days a week to ensure you get the help you need. Our vision is to continue to strengthen the trust we have built, where residents can live with dignity and respect. We achieve that through our values of Trust, Recognition, Integrity and Acceptance.

We look forward to providing you with the quality aged care you deserve!
